

Tanmay Saxena

UX/UI Expert and Product Design Architect

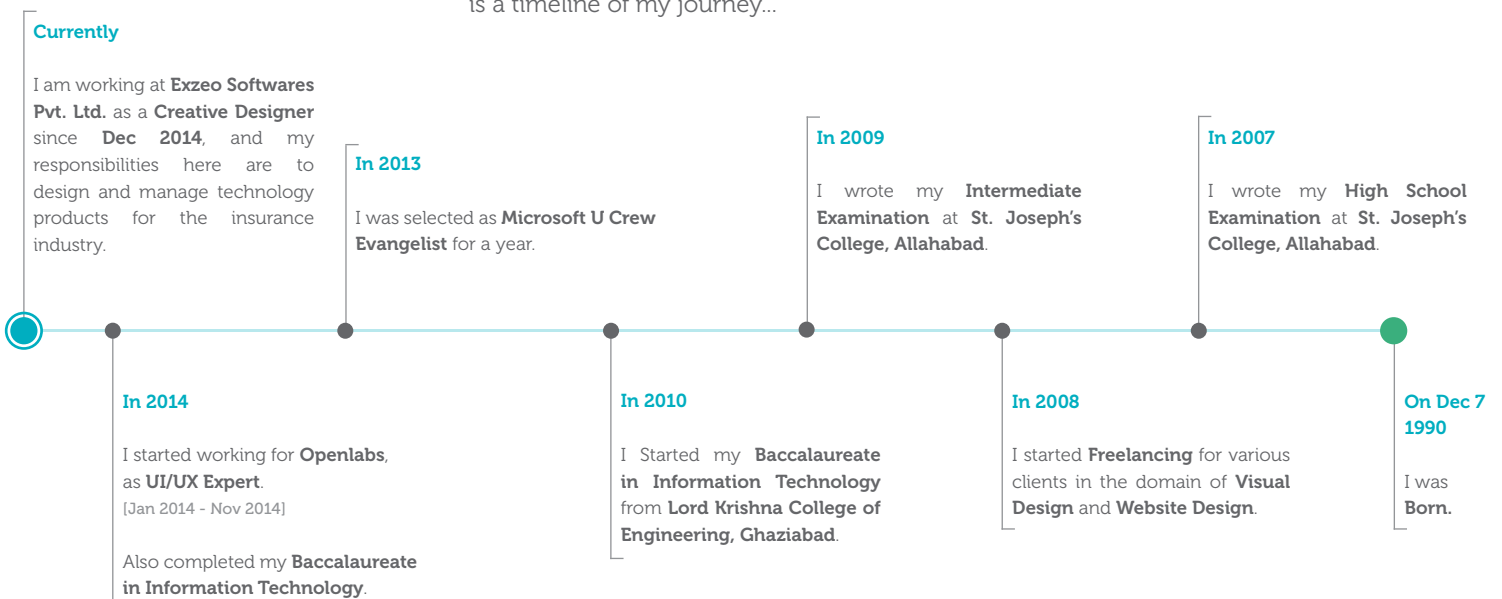

+91-9811290615 | simplifynthanks@tanmaysaxena.com | www.tanmaysaxena.com

My goal is to find interesting ways to understand and connect to the user, and design systems and interfaces that they would love to use. Also, I endeavour to keep my learning curve always up. My objective is to be among the top design professionals of the world.

I make sure that I design simple, slick, and sexy user experiences, with the help of...

I believe life is about learning and growing, here is a timeline of my journey...
